NORMANDYNo. 9" From the Passage du Vey,
Bec de Grouin, Isigny, Vierville,
Saint-Honorine-des-Pertes, Port-en-Bessin

Original print created in 1757 by
cartographer Georges Louis Le ROUGE.Taken
from the "Recueil des Cotes Maritimes de
France" published by Desnos.Nautical details:
The half-fleur-de-lis indicating north, sandbars,
currents, and sea depths are clearly
marked--essential elements for sailors of the time.
A compass rose is also included, aiding
navigation at sea.The map's border is richly
adorned with colorful motifs, featuring elements
reminiscent of nautical instruments, weapons, and
foliage. These ornaments add an artistic touch
