Description

Chinese cabinet from the second half of the 20th century. A carved and lacquered wooden piece featuring pleasing dimensions and proportions. This two-door cabinet includes a useful external shelf at the bottom. Opening the doors reveals two spacious side-by-side drawers and two large storage compartments (see photos). The unit is constructed as a single, non-dismantlable body; only the doors and the two drawers can be removed to facilitate moving and placement within the home. A striking piece with elegant lines, suitable for various locations in the home and ideal for
