emphasize the flowing contours of the design. The upper edges of the wings are embellished with 22 round brilliant-cut diamonds, bead-set into contrasting white precious metal. The wings are additionally accented with six oval-cut pink sapphires, individually bezel-set amongst the enamel decoration. A single white cultured drop pearl is suspended from the elongated lower section of the figure, providing an elegant finishing detail and subtle movement when the jewel is worn. Designed for versatility, the piece incorporates both a hinged brooch pin with safety catch and integrated pendant bales, allowing it to be worn either as a brooch or suspended as a pendant. The reverse is signed "MASRIERA" and bears the model/reference number "G-5442-G", together with an additional small oval hallmark. Presented with its Masriera fitted presentation box and outer box. A particularly decorative example of Masriera's highly collectible figurative jewellery, combining the firm's signature plique-à-jour enamelling with diamonds, coloured gemstones, pearl and sculptural 18-karat gold.
