French 19th-century Mounted Cobalt Blue Overlay Crystal Centerpiece Bowl

1 500 EUR

Period : 19th century

Condition : Très bon état

Material : Glass

Description

A footed centerpiece bowl in cobalt blue cut-to-clear crystal (overlay). The deep crystal bowl, cut with geometric rosettes and translucent reserves, is mounted in ornate chased gilt bronze. The mounts feature a laurel-wreath rim, two sculpted winged putti forming side handles, and a heavy acanthus-leaf pedestal base resting on a stepped plinth. France, Second Empire / Napoleon III period (mid-19th century, circa 1850-1870). H_21 cm W_32 cm D_25 cm. Very good overall condition. Cobalt blue overlay crystal centerpieces adorned with finely chased gilt-bronze putti exemplify the opulent dining table decor of the French Second Empire. The contrast between the deep blue cut crystal and the rich golden luster of the bronze mounts reflects the pinnacle of 19th-century luxury decorative
