Description

Louis XIII-Period Walnut Stool, 17th Century
Elegant Walnut Stool, Louis XIII Period, 17th Century. This stool rests on four turned wooden legs, joined by an H-shaped crossbar, richly molded. Its base features remarkable turned woodwork, including balusters and rings, with the legs ending in small, rounded glides. Its rectangular seat is upholstered with a lovely antique leather top in reddish-brown tones, finished with upholstery tacks. Comfortable seating. Stable. Beautiful patina. Furniture of very high-quality craftsmanship with understated and refined lines. This stool combines practicality with its generous seat, offering a convenient extra seat. Ideal as a side table, bedside stool, or footrest. It also makes a very attractive addition to any space with its harmonious and elegant curves.
