Description

A charming Belgian Impressionist landscape painting depicting a golden wheat field dotted with delicate red poppies beneath a vast, cloud-filled sky. Executed in oil on canvas, the composition is characterized by expressive brushwork and thick impasto, creating a rich surface texture that captures the changing light and atmosphere of the countryside.Two slender trees rise from the horizon, providing a subtle focal point within the expansive landscape. The artist employed a soft, muted palette of warm ochres, pale blues, and gentle greys, evoking the tranquility of the rural Belgian landscape. The heavily textured treatment of the wheat field contrasts beautifully with the airy, loosely painted sky, lending the work both depth and movement.Presented in a complementary wooden
