Description

Porcelain and Gilded Brass Elephant Lamp - Attributed to Giulia Mangani - Italy, circa 1970 A superb and original vintage table lamp in glazed porcelain and gilded brass, attributed to the famous Italian firm Giulia Mangani, Florence, circa 1970. This striking decorative lamp depicts a stylized elephant in white porcelain, richly adorned with black-and-white geometric patterns and gold accents. The animal's body features an elegant checkerboard pattern, embellished with gold teardrop-shaped motifs. The head, ears, and legs are finely crafted in relief, while the raised trunk adds a touch of originality and whimsy to the piece. The elephant rests on a rectangular base made of gilded brass, extended by an architectural structure supporting a vertical post and an adjustable lighting fixture. This creation
