Material : Oil painting on wood

Description

Michel TRONEL (born in 1953)Landscape with a Paved TerraceMixed media on panel (thick melamine-faced board)Signed lower right65 x 100 cmSmall stain at the top (see photo circled in red); tiny spots at the bottom right near the signature (see photo)A painter born in 1953, Michel Tronel established his studio in Argentenay in the Yonne department (Burgundy). A devotee of figurative painting and a great lover of green spaces, he creates, on canvas or panel, idyllic gardens opening onto horizons bathed in light. The artist thus constructs dreamlike panoramas, such as palace parks opening onto crystal-clear ponds where the sun's rays are reflected. The vegetation and perspective of his large, inanimate landscapes--of Arcadian beauty--offer calm and serenity. The painting we
