often mountainous, and above all rugged regions.The niche shape surrounded by hooks and the stylized flowers are symbols of happiness and peace, while the branches inside the niche symbolize trees of life.These prayer rugs are generally in good condition, as they have always been reverently preserved by families or by owners who are passionate about this genre.This antique rug shows some wear; it is intended for a collector of antique pieces and for display.It is--and will become increasingly--difficult to find original, high-quality pieces, true artifacts; indeed, families either keep them or collectors guard them jealously.This piece is in its original condition; my passion for antique Turkish rugs prevents me from subjecting them to restoration.Today, this rug is better suited to being hung on a wall and admired like a painting than to being placed on the floor.This piece is in fine condition considering its age and has been professionally cleaned using eco-friendly methods.Dimensions: Width: 95 cm (37") x Length: 135 cm (52")FREE SHIPPING TO FRANCE, just like with all our rugs!FR 0EUR / EUR 25EUR / WORLD 50EURFor more information or additional photos, please call me at:06 13 36 09 30 or email winsteinprovence@gmail.com.www.winsteinprovence.comref WINSTEIN 1222
