Description

Painted metal chest (mounted on a wooden core) with polychrome decoration featuring floral fruit bowls, columns, and various architectural elements. Origin: most likely Russia. It has retained its original wrought-iron lock. Dates from the 17th century. This chest is in good overall condition and retains its original finish. It shows some signs of age--marks of authenticity--which in no way detract from its decorative quality. Please note: damage and missing pieces in some areas, a few cracks in the wood, wear on the polychrome finish, and signs of age; please examine the photos carefully. Dimensions: 48 cm x 34.5 cm Height: 26.5 cm Reference: E10 616 All photos are available at: www.antiques-delaval.com
