### Description

An elegant 18-karat yellow gold (750?) ring, set with blue sapphires and diamonds, whose structured setting evokes the jewelry design of the late 20th century. This ring stands out for its geometric design and interplay of vertical lines, alternating rows of deep-blue sapphires with bands set with diamonds. The stones are highlighted by delicate ribs of polished yellow gold that add rhythm to the composition and accentuate its relief. The setting, generous at the top, gradually tapers toward the back of the band, offering a beautiful balance between volume and elegance. The combination of yellow gold, the intense blue of the sapphires, and the sparkle of the diamonds lends the piece a precious and timeless allure. A piece of jewelry with character and bold lines, illustrating vintage jewelry's
