Description

Gilded Bronze Horse Desk Lamp - Maison Jansen Style - 20th Century An elegant lamp depicting a gilded bronze horse head, resting on a circular pedestal and a black geometric base. The horse's head is beautifully modeled, with a finely sculpted mane, pricked-up ears, and a particularly lively expression. The gilded metal frame extends upward into a vertical stem adorned with decorative rings and topped with a finial. This lamp comes with a large cylindrical brown fabric shade, adding a warm and refined touch to the piece. Its aesthetic evokes the decorative creations of Maison Jansen, highly prized for their animal motifs and elegant mounts. A beautiful decorative piece, ideal for an office, a library, a living room, or a classic-style interior. Period: 20th century, second half. Style: Maison Jansen Material: gilded
