Description

Oil on oval canvas - Bouquet of Red Poppies - Signed Henry R. - 20th century A charming oval oil-on-canvas painting depicting a bouquet of poppies in vermilion and orange hues, arranged in a small white ceramic vase with blue decoration.The composition stands out for its vibrant colors and delicate brushwork.The flowers, rendered with spontaneity, stand out against a warm-toned brown background, which particularly highlights the luminous hues of the petals.A few flowers that have fallen onto the mantelpiece add a touch of natural beauty and poetry to this lovely still life.Signed "Henry R." in the lower left corner.The painting is set in a large oval frame made of black molded wood, adorned with a gilded inner border that provides an elegant contrast to the painting's colors.Period:
