Description

A beautiful oil on canvas by Belgian painter Alexandre Tielens (1868-1959), depicting a magnificent cluster of blooming roses in a coastal landscape, with the sea visible in the background. The composition captivates with its harmonious palette of pink, cream, yellow, and green, enhanced by the bluish hues of the sea and sky. The brushwork is free and expressive, with a rich textural quality that brings the flowers and foliage to life. This painting evokes the charm of seaside gardens and reflects a sensitive approach to landscape, emphasizing light, color, and spontaneous brushwork. The work is presented in an elegant antique gilded wooden frame, richly adorned with carved motifs, which highlights the decorative nature of the composition.
