Description

Mahogany Display Cabinet - Empire Style - Late 19th Century An elegant Empire-style display cabinet, featuring a beautiful design with freestanding columns and carved swan motifs.The upper part of the front opens via a drawer adorned with a gilded brass pull.The lower section features a glass door--currently missing its glass--revealing a storage space fitted with a shelf.The piece is framed by two cylindrical columns resting on rounded bases, embellished with brass rings.These columns are topped by remarkable swans carved from wood, lending the piece a great deal of character.The wood displays beautiful warm tones and a particularly decorative grain, accentuated by an antique patina.This small piece can be used as a display cabinet, an accent piece, or a small
