Description

Large Mushroom table lamp, model 625, designed by Elio Martinelli (1922-2004) for Martinelli Luce, Italy, circa 1970. This iconic lamp of 1970s Italian design features a large hemispherical shade made of white opaline plastic, resting on a cylindrical base of white-lacquered metal. Its clean lines, rounded shapes, and generous proportions are in keeping with the Space Age aesthetic characteristic of the design of that period. Elio Martinelli founded his design firm, Martinelli Luce, in Lucca in 1950. He developed a line of lighting fixtures with geometric and organic forms, utilizing innovative materials and new manufacturing techniques. His creations hold an important place in the history of Italian design from the second half of the 20th century. Dimensions: height 55 cm - diameter 54
