Description

An eclectic mirror made of carved and gilded wood, crafted in Italy during the last quarter of the 20th century. The frame features elaborate molding with interlocking leaf carvings, further embellished with leaf motifs, scrolls, leaves, and floral patterns. The gilded finish enhances the intricate design, giving the mirror a majestic and refined appearance. Perfect for adding a touch of elegance and history to both classic and modern interiors, it stands out for its artisanal craftsmanship, which highlights the quality of the ornamental details. Product condition: Due to its age and wear, this item requires restoration and re-polishing. We strive to present the actual condition of the piece as fully as possible through the photos. If certain details are not clear from the photos, the information provided in the
