need to be replaced; they are crushed. The octagonal barrels are in good condition and will require a light, standard cleaning; they are smooth-bore. Beautiful, undamaged, original walnut stocks. The barrels are damask (damask pattern needs to be brought out), featuring a spiral pattern of small squares. Metal in fine condition, no oxidation, beautiful tobacco-colored patina. Stocks with beautiful scrollwork engravings; the trigger guards fit perfectly into the stocks and also feature scrollwork motifs. No parts are missing from these firearms. These firearms could be very easily restored by simply replacing the muzzle caps. Fast and well-protected shipping. SHIPPING WORLDWIDE
