

Patek Philippe Lepine "open Face" Stainless Steel-1942-

10 500 EUR

Period : 20th century

Condition : Parfait état

Diameter : 48

Description

Patek Philippe "Lepine"-style pocket watch in stainless steel, reference 733, circa 1942. It is equipped with the exquisite 17"250 caliber featuring a swan-neck micrometer regulator and "Côtes de Genève" finishes, with a double Geneva Seal. Matte silver dial with applied gold baton hour markers and Roman numerals, enameled inscriptions, and a small seconds hand; two-piece case with a clipped back. Dimensions: 48 mm x 9.6 mm (including the crystal); case and movement are signed and numbered. This model was produced in limited quantities in stainless steel. The watch is in superb condition and comes with its original case and an extract from the manufacturer's archives. Serviced by Patek Philippe, with a 2-year warranty.
