Description

Oil on canvas measuring 70 cm x 92 cm plus frame 72 cm x 94 cm signed in the upper left corner C.MAILLET 1969. This painting is remarkable for its creativity. It foreshadows the free figurative style that would emerge in the late 1970s through artists such as Comas, Di Rosa, Boisrond, and others.... Avant-garde artist Christian MAILLET is an artist who lived and worked in Marseille. Born in Rabat, he settled in Marseille around 1954. Deeply politically engaged, he divided his life between painting and politics. Painter A creator at heart, he abandoned all academic training to embark on what would later be called "Free Figuration". Nevertheless, his work reveals a thoughtful approach, with carefully applied colors and balanced forms. Great boldness in composition. Free shipping
