

Ten Pillboxes And A 19th-century Monstrance Made Of Ancient Wheat

560 EUR

Period : 19th century

Condition : Parfait état

Material : Other

Diameter : 5,5 cm

Height : 13 cm

Description

An exceptional collection of ten display bottles showcasing ten varieties of heirloom wheat at a horticultural college. These bottles, originally displayed in apothecaries' shop windows, were requisitioned for educational purposes. With its entirely unusual shape, this collection is of rare elegance.
