Painting Of A Woman's Bust, Seen In Profile, 19th Century

280 EUR

Period : 19th century
Condition : Bon état
Material : Oil painting
Width : 22,5 cm
Height : 37,5 cm

Description

Oil on canvas, mounted on a wooden panel. This painting, depicting a woman in profile, was likely cut from a larger work. The choice of colors gives this piece a real sense of presence.
