Description

ElieHenri Dumont (19th/20th century) : "Pond Shore in the Landes," oil on canvas, 73 x 100 cm, mounted in a superb molded oak frame, 89 x 116 cm. Circa 1910-1920, damage and restorations, craquelure throughout the entire painting. And to think I've been telling myself for months that I need to get that frame recut for this painting ! If only I'd brought it in, I would have realized that it was already the right size...I've chosen to present this large painting to you just as I found it, in its original condition, but its brilliance and the luminosity of the composition give a glimpse of what it will look like once it's prepared. The palette blending bronze green with Veronese blue, the many shades of the sky composed of small, blended multicolored brushstrokes, and that clearing among the pines overlooking the
