Description

???? Pair of Karl Ens polychrome porcelain birds - Vintage figurinesA charming pair of polychrome glazed porcelain birds from the German manufacturer Karl Ens, renowned for its exquisitely delicate animal figurines. These two figurines depict birds delicately perched on branches, in natural and expressive poses. Their meticulous modeling, luminous colors, and intricate details showcase the craftsmanship of the Volkstedt factory in Thuringia, renowned for its decorative porcelain.???? Each bird has its own personality and a delicately nuanced color palette. The first, with salmon-pink, brown, and yellow plumage, raises its head and opens its beak as if it were singing. The second, more serene bird features a bright yellow breast, a brown and cream-colored head, and finely crafted

wings. The color gradients, the details of the feathers, and the luster of the glaze lend these small sculptures a great deal of realism and softness.???? Perched on stylized white porcelain branches, the two birds form a particularly harmonious decorative ensemble. Their elegance and size make them suitable for display in a collector's showcase as well as on a shelf, a console table, or an antique piece of furniture. These figurines will appeal to lovers of German porcelain, animal depictions, and vintage decorative objects.???? Condition: Overall in good condition, with a few slight signs of age. In particular, there is minor wear at the tip of the yellow bird's beak. The photographs are an integral part of the description and allow you to appreciate the details as well as the condition of each figurine.???? Dimensions: approximately 8 × 6 × H 13 cm per bird.???? Manufacturer: Karl Ens - Volkstedt, Germany. Polychrome glazed porcelain, 20th century.???? Sold as a pair only; both birds are offered together.?
