## Blue Glazed Ceramic Vase With Gilded Bronze Accents

3 000 EUR

Period : 19th century

Condition : Très bon état

Material : Ceramic

### Description

An elegant vase of French manufacture, crafted from glazed ceramic in a deep cobalt blue and embellished with a stunning frame of finely chiseled and gilded bronze. Its slender and harmonious silhouette is characterized by a sinuous body, a tapered neck, and a contoured rim--elements that lend the piece a refined decorative elegance. The rich gilded bronze applications, executed with great mastery, feature elaborate volutes, leaf motifs, palmette ornaments, and sinuous plant racemes, which frame the blue surface, creating a striking chromatic contrast. The top, crowned by a sumptuous ornamental element featuring naturalistic motifs, and the richly crafted base complete the composition, highlighting its monumental character and the precision of its
