Height : 82 cm

Description

A charming and elegant English oak console table dating from the late 19th century, with beautiful proportions and an authentic character. This antique console table captivates with its lovely natural patina, warm tones, and superb grain, all of which reflect the charm of traditional English furniture. The front features three drawers adorned with antique wrought-metal handles, offering practical storage space while adding a beautiful decorative touch. Its turned column base, delicately scalloped crossbars, and large lower oak shelf give it a particularly elegant and balanced silhouette. Measuring 167 cm in length and just 42 cm deep, this console table offers a generous display surface without taking up too much space. It will fit perfectly in an entryway, living room, dining room, or behind a sofa. Its
