Fuchsia-pink Silk Valance With Floral Decoration, Late 19th Century

190 EUR

Period : 19th century

Condition : Très bon état

Description

An elegant valance made from a silk fabric in a gorgeous fuchsia pink, adorned with a delicate floral pattern woven in shades of golden brown and accented with small bouquets of ivory and blue-gray flowers. The subtle interplay of patterns, the fine weave, and the beautiful, iridescent sheen of the silk lend this textile a truly unique charm. Its elongated dimensions and narrow shape make it ideal as a valance to dress the top of a window, but it can also serve as a decorative element to highlight a door, embellish a piece of furniture, or add a refined textile touch to a distinctive interior. The hooks are already in place, making it easy to hang. A charming piece, ideal for lovers of decorative textiles and vintage fabrics. Dimensions: 184 cm long × 24 cm high. Material: silk. Colors: fuchsia pink, golden
