Description

Vintage 18-karat gold bracelet, featuring an articulated design and contrasts between shades of yellow and white gold. The design combines rectangular links with slightly curved surfaces and domed elements that mark both edges. Subtle parallel lines decorate some of the links, alternating with the smooth surfaces of the adjacent elements. The small spaces between the joints highlight the structure's design. The combination of rounded forms, linear decorations, and different shades gives the bracelet a geometric and architectural character. Approximately 20 cm long and 3 cm wide, the bracelet weighs 44.50 grams. It is in excellent condition, with slight signs of wear. Metal: 18-karat gold, with elements in yellow gold and white gold Weight: 44.50
