Description

Genuine Chanel J12 Classic wristwatch, reference H1174, showcasing the contemporary aesthetic of the House of Chanel and its innovative approach to the use of high-tech ceramic in luxury watchmaking. The 38 mm case is crafted from highly durable black ceramic and adorned with 24 natural diamonds, lending this creation the refinement of fine jewelry while preserving its signature sporty elegance. The dial is protected by a scratch-resistant sapphire crystal. The watch is powered by a self-winding mechanical movement that ensures reliability and comfort for everyday wear. The black ceramic bracelet is fitted with its original folding clasp, ensuring a secure fit and great comfort when worn. Water-resistant to 200 meters (660 feet), this model meets the highest standards of
