Description

A lovely bronze group with a green patina depicting two horses eyeing each other and rearing up, by the J.E.D. Foundry. A truly beautiful piece--this finely chiseled group with a very elegant posture. Each horse rears up and turns toward the other, creating an impressive scene of confrontation. The pedestal has an original design and rests on a custom-made wooden base. Beautiful dimensions: 37 cm by 29 cm for the pedestal and 35 cm in height. Signed, in perfect condition, stamped "bronze," and numbered (3/8), circa 1930. A very lovely Art Deco piece--elegant and highly decorative.
