Description

Large Decorative Lighted Panel - Backlit Panel - 250 cm - 1970s design An original and imposing decorative lighted panel, featuring an elegant interior scene depicting the entrance to an old bourgeois residence.This composition highlights classic architecture with its molded doors, wood paneling, large windows, and black-and-white cabochon floor, all set in a warm and refined atmosphere.The piece is set within a large rectangular frame made of light-colored painted wood, resting on small legs.What makes this piece unique is its built-in lighting, which diffuses a soft, warm light and lends a sense of depth to the depicted scene.With its particularly large dimensions, this decorative lamp serves as a true interior design statement.It will naturally find its place in a large living room, an entryway, a
