Description

Art Nouveau-era (1900-1904) pewter and glass stemmed goblet.Signed by Orivit, the glasswork is attributed to Val Saint Lambert.A very fine example of the factory's typical Art Nouveau style, particularly the branch-shaped base.In good overall condition; the patina on the pewter has faded slightly in some places, and the glass has superficial scratches from normal use. You can see everything in the photos; if you'd like more, just ask me.
