Early 19th Century Pair Of Ginori Doccia Vases

1 200 EUR

Period : 19th century

Condition : Bon état

Material : Porcelain

Diameter : 22

Height : 45

Description

Refined and unique pair of Ginori vases in black-glazed porcelain, with polychrome painted decorations and gold details on the handles and base. The vases are double-handled, with curved handles ending in floral motifs, and a ring-shaped base. They also feature a globular body, a high neck, and a petal-shaped rim. The pair features polychrome flowers, including roses, depicted in a bouquet on the front and single flowers on the back, lending a touch of elegance. This pair of vases exudes great taste and refinement, adding a touch of class and elegance to any decor. The base features the mark, which reads "Ginori Manufacture in Doccia, near Florence", and the manufacturer's stamps. Florentine Ginori manufacture, early 19th century.Dimensions: H x W 45 x 22cm
