Description

A striking Empire-style chandelier in gilded bronze and black-patinated sheet metal, dating from the early 20th century, circa 1900-1920.Beautifully proportioned, this chandelier features a circular central body made of black-patinated sheet metal, adorned with six gilded bronze arms depicting elegant swans with long, curved necks and outstretched wings.The arms rest on brackets richly engraved with volutes, foliage, and scrollwork--motifs characteristic of the Empire decorative style.The upper section is adorned with a truncated conical element in gilded bronze, decorated with palmettes, foliage scrolls, and floral motifs, topped by a pine cone.Beneath the central body is a large circular rosette in gilded bronze with a radiating decoration of acanthus leaves and
