Description

An elegant sideboard with curved ends, crafted in the Art Deco style and adorned with remarkable geometric marquetry composed of exotic wood veneers. The front features a dynamic decorative composition combining concentric circles, radiating motifs, curved lines, and contrasting bands, creating a design with a strong architectural presence. The rich color palette of the woods used--ranging from honey and amber tones to reddish-brown hues and dark woods--highlights the quality of craftsmanship and the decorative refinement of the piece as a whole.The slightly rounded body of the piece rests on cylindrical legs. The central section features hinged doors adorned with ring-shaped brass handles, complemented by side compartments with curved doors that follow the
