Description

Louis XV-style drop-front secretary desk in carved walnut - 19th century An elegant Louis XV-style drop-front secretary desk from the late 19th century, featuring a beautiful, richly carved front and a lovely antique patina with warm tones.This beautifully proportioned piece stands out for its dynamic decoration, composed of volutes, foliage, and rocaille motifs characteristic of the Louis XV style.The upper section features two small drawers adorned with carved moldings and keyholes.The central drop-down panel, which is particularly decorative, is embellished with a large relief carving depicting an interlaced pattern of curves and foliage.When opened, it reveals an interior fitted out as a writing desk, featuring several storage compartments, a shelf, and small drawers.The inside of the flap is lined with a dark
