Description

"Space Age" spherical table lamp by Selenova, made of glass, chrome, and copper, manufactured in Italy in the 1970s.- Round, convex chrome-plated metal base.- Spherical, thick-walled glass shade, milky at the bottom and transitioning to clear glass toward the top.- This gives it a slightly misty appearance.- Inside, four copper cylinders of varying heights are arranged around a central chrome-plated cylinder.- Four light bulbs, including two blue and two yellow ones.- Two push buttons on the base allow you to turn two bulbs on or off at a time. Three lighting options.- In good original condition with signs of age and wear.- In working condition with an old Italian three-prong plug. A suitable black adapter is provided for EU buyers.Dimensions:- H approx. 49 cm / 19.29 in- Ø approx. 39 cm /
