or the visibility of the design. The setting is of fine quality. The diamonds are uniform and brilliant. The sapphires are beautifully colored, clear, with very few inclusions. The table edges of some sapphires are slightly chipped, which is common in stones that have been set and worn. The bangle fits the wrist well. The sinuous wave motif gives the piece a feminine character and lends it a light, airy feel. With nearly 1.60 ct of diamonds and approximately 9 ct of sapphires, the bracelet appears delicate to the eye: the quantity of gemstones is not immediately apparent.
