Description

A pair of Italian-made 1950s armchairs, characterized by an elegant and timeless design. The spring-based padding ensures optimal comfort, while the new fabric upholstery in shades of peacock blue adds a touch of freshness and sophistication. The truncated cone-shaped legs in stained beech wood complete the look, providing stability and a refined contrast in texture. Ideal for enhancing both classic and contemporary interiors, these armchairs are an excellent example of Italian craftsmanship from that period.MOSEPO0320544
