Description

Carved, lacquered and giltwood canopy. Italy, 18th-19th century. 245 x 160 x h 65 cm. Bed canopy in carved wood, lacquered with a light ground and water gilded. The front band has a serpentine profile, outlined by a multi-moulded gilt cornice that continues along the two side arms, ending in curved terminals. At the centre rises a pierced rocaille crest, composed of a large fan-shaped shell, scrolls and acanthus leaves, with gilt relief elements alternating with lacquered areas. The design and ornamental repertoire recall the Italian Rococo taste. Condition report: Good state of preservation, with signs of age and wear to the gilding and lacquer. · All EU shipments are free of charge and professionally packed. · Every item is sold with attribution and age documentation with
