deep, rich blue. The transition from yellow gold to white gold highlights the stone. The diamonds in the scrollwork frame it with a cooler glow.The setting shows a slight patina and some signs of normal wear. These indicate that the piece has been worn, and the master's hallmark--now reduced to a faint trace--is further evidence of this.The design is original. The triangle crowning the stone gives this ring a distinct identity that classic solitaire rings lack. It is worn on its own.
