120 EUR

Period : 20th century

Condition : Très bon état

Material : Acrylic

Description

Clip-on earrings by designer F. VOLLE Paris, dating from the 1990s. The earrings are made of gold-plated resin and feature cherubs framing a cabochon medallion with figurines. Frédéric Volle's style is instantly recognizable by his sculptural and opulent creations--his signature style--which blend Baroque and Neoclassical elements. These earrings are very easy to wear and incredibly lightweight. Very good condition Height: 3.5 cm Width (at widest point): 6 cm Free shipping within FranceAlso available from the same designer: an imposing brooch and a pair of pendant earrings
