Description

A distinctive cabinet featuring two doors with molded and scalloped panels. Its upper band features a central carved diamond motif, while the fluted central stanchion and the cut-out lower crossbar add a touch of understated elegance to the front. The long metal dowels and keyholes emphasize the traditional look of this regional piece, inspired by the Louis XV style. The interior is fitted with shelves, including one light-colored added shelf. The back features a panel-and-stile construction with visible dowels. Condition: uneven patina, cracks, signs of pitting, small missing sections, and repairs visible in the photographs. The interior layout has been modified over time. Dimensions: Height: 160 cm Width: 120 cm Depth: 48 cm Shipping not included. Please contact us for a personalized
