Description

A pair of antique Louis XVI-style nightstands. Oval tables in the French neoclassical style, featuring central drawers and an openwork top. The top is surrounded by an openwork brass rail. The decorative gilded bronze sconces and the tapered, slightly cabriole legs give this piece a rich and refined look. It features 3 small, symmetrically arranged drawers veneered in exotic wood, with the same veneer on the sides. 43 cm wide, 31 cm deep, and 72.5 cm high. Slight signs of wear, consistent with its age and use. Late 19th-century French antiques.
