Length : 8,5 centimètres
Width : 6 à 6,2 centimètres
Height : 25,7 centimètres

Description

A bronze sculpture...Cast in solid bronze...With a few colors in the patina...Green and brown....Definitely some patina touch-ups...A few small areas where the patina has chipped...But it's in its original condition...Otherwise, I could have a medal-style patina applied to it...!We'll see...!I think it's pretty just the way it is...!No signature...Of French origin...Weight... 1 kilo 910 grams
