

Large Anatomical Chart For Educational Use - Human Skeleton - Deutsches Hygiene-museum In Dres

300 EUR

Period : 20th century

Condition : Très bon état

Material : Paper

Description

Large educational anatomical chart depicting the human skeleton as seen from the back, with the right arm raised. Detailed illustration accompanied by numerous numbered labels identifying the various parts of the skeleton. German edition from the Deutsches Hygiene-Museum in Dresden, bearing the institution's stamp at the bottom along with the inscription "Original Deutsches Hygiene-Museum." Printed on paper and mounted on two cylindrical wooden rods for wall mounting. A 20th-century German piece intended for teaching anatomy in schools or medical institutions. In good condition for its age, with creases, marks, and stains due to its age and use. Dimensions: 195 cm high × 84 cm wide.
