Patinated & Gilded Bronze Watch Holder 19th-century Antique Oil Lamp: A Souvenir From The Gran

450 EUR

Period : 19th century

Condition : Très bon état

Material : Bronze

Description

Antique bronze pocket watch case with a brown patina and gilded accents, depicting an antique oil lamp, in the style of objects brought back from the Grand Tour.The lamp features a lion's head design in relief and ends with a spout adorned with a stylized flame in gilded bronze.The arched handle, chased with plant motifs, ends in an eagle's head whose beak holds a hook designed to suspend a pocket watch.The assembly rests on a gilded bronze pedestal, adorned with acanthus leaves, set on a rectangular base of Siena marble.This watch stand reflects the 19th-century taste for Greco-Roman antiquity and objects inspired by archaeological discoveries, which were particularly popular in the context of the Grand Tour.Mid-19th century.Height: 20 cm.Good conditionThe watch shown in the
