Description

Vacheron Constantin, model 6099, "Jubilee" collection, circa 1955. An elegant, ultra-thin watch in 18-karat yellow gold, produced to commemorate the manufacture's bicentennial. It is equipped with the hand-wound K1003 caliber, which is 1.64 mm thick and features a Côtes de Genève finish. The ultra-thin case (4.5 mm thick) consists of two pieces with a pressed caseback and stylized, faceted lugs, and a smooth bezel. Gold dial with applied baton hour markers (slight wear). Movement and case are signed and numbered. Dimensions: 32 mm (excluding the crown) x 39 mm (including the lugs). This watch is in excellent condition and working order, having been serviced in-house. Comes with a 2-year warranty.
