Description

"Agreste" Model Soup Bowl - Digoin & Sarreguemines. Antique soup bowl, or vegetable bowl, made of French faïence, part of the famous Agreste model, produced by the renowned Digoin & Sarreguemines factory. The piece features an elegant, rounded shape resting on a circular base, with contoured side handles and a domed lid topped by a sculpted knob. The ivory-colored glazed surface is embellished with a vibrant polychrome floral decoration featuring poppies, cornflowers, daisies, and wildflowers, complemented by delicate red outlines that highlight the contours and lend harmony to the overall design. An example of French decorative style, in which the freshness of the floral motifs combines with the functionality of the form, creating an object of great charm for enthusiasts.
