Description

19th-century Empire-style bronze candlestick (gold-toned), converted into a lamp. Square base. Rests on four small feet. Newly electrified: features a gold-toned brass socket for an E27 screw-base bulb and new wiring. The power cord is routed through the interior of the candlestick. The rectangular lampshade is crafted from *toile de Jouy* fabric featuring an antique-inspired motif, with navy blue decorative trim (soutache) along the edges (each side displays a different scene). Note: This particular lampshade shape is space-efficient in terms of depth, making it ideal for placement on fireplace mantels, console tables, etc. Total height: 45 cm / Candlestick height: 27.5 cm / Base: 11 cm x 11 cm Lampshade dimensions: 25 cm x 17 cm Shipping available: France /
